Everything To God

Chapter 1: How Christopher Liam Rose Got into The Evangelism Ministry

I must share my story to understand what got me into the evangelism ministry and helping other people in my walk with God and the Christianity Faith. In September 2014, I was in my flat making music videos for my YouTube channel when **SOMETHING HAPPENED**. I used to be a musician, ran a music business and record label. **My flat caught fire, and all of my possessions got burnt to ashes right in front of my eyes.**

*The fire started after the candle lights I was burning in my bedroom lit my curtains. The curtains caught fire; fell on my bed and duvet, and the fire spread to all of my properties. **Losing all of my possessions, business, home, money, clothes, and everything left me completely broken, mentally psychotic, and homeless.*** That was a painful time in my life.

So how did I find the Christianity faith and got involved in the evangelism ministry? Before the fire, I attended a church in my local area in London where I tried to understand the word of God, but I wasn't completely involved in the

Christianity Faith because of the life I was living outside of the Church. I smoked, drank alcohol, fooled around, and kept an adulterous love relationship. Honestly, that life that I lived had no real meaning or value to me. I did it because I didn't know any better and was completely confused with all the lush of money, friendships, possessions, and relationships. So I turned my back on the Church and started to live life in the way I thought was best for me.

As I was living that sinful life, I realised something was missing in my life. I didn't know what it was or could not understand because I was so boastful, thought I was big, pride myself with my riches and money. Then the relationship with my ex-partner started to fall apart and fail, and she left me. I spent time thinking very carefully about what my life was becoming. I thought I was the love of her life, and she still left me, and I became completely broken and unhappy.

I started to get into meditation, where I would practice for a few hours every day because I thought this would help me deal with my problems, but I soon realised that it only worsened. **I saw a video series by a very famous philosopher named Jiddu Krishnamurti called "A Wholly Different Way of Living with Dr. Allan Anderson."** As I saw the videos, I realised that I needed to change my life by practicing meditation. That nearly destroyed my whole life in brutal ways because I had bizarre visions, negative beliefs,

delusions, and hallucinations that were disturbing and seemed real. The videos series from Jiddu Krishnamurti and Dr. Allan was the first stage of my self-discovery of who I was and all the mistakes I have made in my life that were very horrible.

Shortly after my mental health problems and mental psychotic issues, I had to deal with losing my home and possessions in a horrible fire and destroyed my life. After the fire accident, I had lots of visions and dreams about that life-changing experience and knew it would happen. I tried my best to explain it to my family, but they couldn't understand I was going through a severe mental health relapse and spiritual awakening.

From losing my flat and all of my possessions, I started to rebuild my life. At first, it was challenging because I was homeless in the west end of the marble arch, sleeping with homeless people, and not having any money. Later on, I got sectioned into the hospital because of my schizophrenia, psychosis, and depression mental health conditions. So what changed in my story from living a sinful, horrible, harmful lifestyle, being homeless, and being mentally psychotic?

Two people helped me when I was going through serious adversity, hardship, and pain in the hospital; **Paul Dorrington (Lead Employment Specialist)** and **Karen Meechan (Clinical Psychologist)**. Paul and Karen helped me recover from my mental

health condition, homelessness, and other struggles. The learning and personal development that I gained with Paul and Karen have stayed with me through all my work in helping other people and giving back.

So now I can answer what led me into doing the evangelism ministry work. It was because of Jesus Christ and the help I got from Paul Dorrington and Karen Meechan. The evangelism ministry is a choice you have to make if you want to enter the ministry. You can choose to have life the way you want it to be or do the work that honours God and make a difference in people's life. I believe that doing the work that honours God is way more important than how much money or materialistic things you earn or get in life.

Suffering has led me to serve God and Jesus Christ. I was going through a negative path of misery, struggles, pains, and suffering in my life until I got saved, and God forgave me. I already know I am not perfect, and I am not the most successful person ever, but through Jesus Christ, God, Paul, and Karen, I can do anything I want in my life without feeling miserable or depressed.

I share my problems now to prove a point about the Evangelism Ministry, and my problems are not what we call happy, joyful, or wonderful things. On the contrary, they were challenging to overcome.

- Losing my home and all of my possessions
- Losing my Grandfather to death
- Seeing my Mother suffering from breast cancer
- Seeing someone I was helping lose his life
- Dropping out of the university and not having a degree
- Losing all materialistic things
- Mental health Problems
- A horrible negative past
- Losing relationship with women
- Losing friendships

Dear reader, I am not sharing my problems to understand how much suffering I have been through or for you to pity me. On the contrary, I am doing it to show you that SUFFERING HELPS YOU TO HONOUR YOUR RELATIONSHIP WITH GOD AND YOUR FAITH.

I will now share my mistakes to prove to you that I am not a perfect person and that I have made serious mistakes:

- Abusing family members
- Abusing Ex-Partners
- Fooling around with friends
- Misbehaving with women and having sex
- Getting tattoos
- Being involved with gangs and crime
- Not honouring my relationship with God when I was younger
- Not being involved in the ministry when I was younger
- Making foolish choices and decisions

- Not being about to look after myself due to my mental health problems
- Smoking
- Drinking alcohol
- Going to nightclubs and partying

Romans 12:2 - "Do not be conformed to this world, but be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect."

I don't view myself as a great person or someone who hasn't made any mistakes because I have. But just as the Bible scripture teaches, **YOU WILL BE TRANSFORMED BY THE RENEWAL OF YOUR MIND**. I got transformed by meeting Paul and Karen, going to Church again, listening to **Dag Heward Mills' sermons, and preaching** in my Church. Then my life changed entirely into helping other people and giving back.

Philippians 2:4 - "Let each of you look not only to his own interests but also to the interests of others."

This Bible Scripture becomes very important to people that want to help other people and give back because helping other people and giving back is part of the **CALLING OF GOD and YOUR LIFE PURPOSE**. Unfortunately, many people worldwide have failed to realise that life is about helping others and giving back and not about oneself.

Many people think the work I do within the Evangelism Ministry of Christopher Liam Rose Ministries and Lighthouse Chapel International is based on me. The work of helping other people and giving back is based on the people you help and support. NOT LOOKING TO YOUR OWN INTEREST BUT EACH OF YOU INTO THE INTEREST OF OTHERS.

I now want to share the difference I have made in helping other people and giving back:

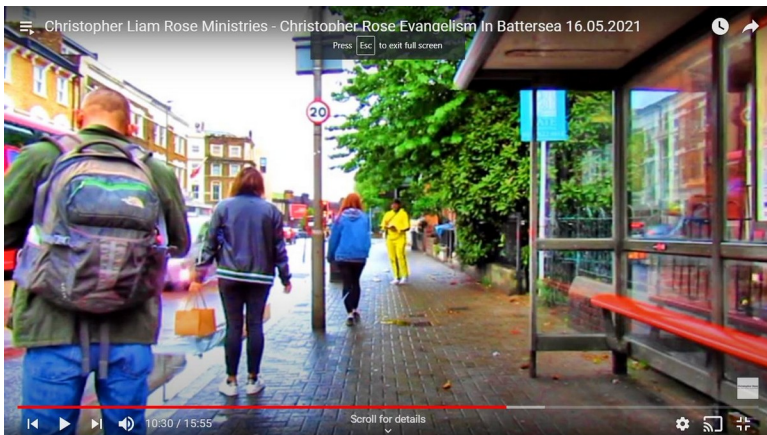

- Helping hundreds and thousands of people with mental health problems in my working careers
- Creating thousands of videos on YouTube talking about helping other people
- Creating musical albums talking about helping other people
- Creating 11 Books in helping other people
- Being involved in documentaries and movies talking about helping other people
- Being interviewed on radio stations talking about helping other people
- Helping other people within The Evangelism Ministry and helping hundreds of people get closer to God
- Working in volunteering roles in helping other people
- Working in business opportunities in helping other people
- Sharing my mental health recovery story to inspire many people lives

I have made a massive difference in many people's lives and contributed to people in

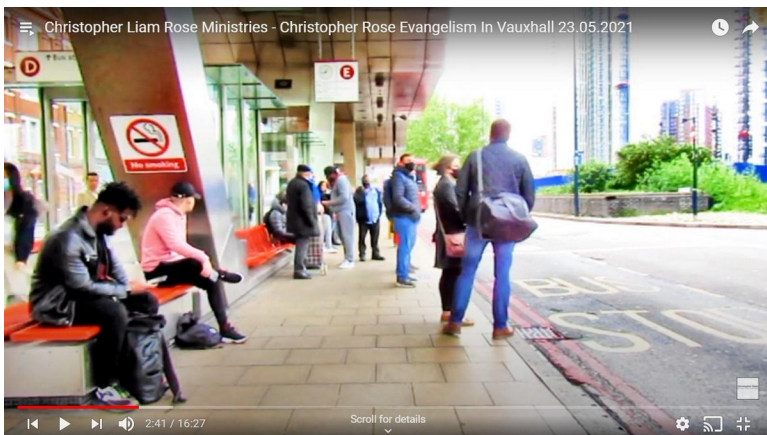

work I do for others. But I have always said that I don't help other people because I want money, houses, or cars. I do not help people for those reasons. I help people because of Paul Dorrington, Karen Meechan, and my relationship with Jesus Christ and God.

I now want to share some pictures of me doing The Evangelism Ministry work in the London area, and you will see how vital Evangelism is to God and Jesus Christ.

Now you understand through the Evangelism Ministry that I have helped many people in faith. In the next chapter, we will discuss why you should do Evangelism.

Chapter 2: Why Should You Do Evangelism?

Mark 16:15 – “And he said to them, Go into the world and proclaim the gospel to the whole creation.”

You must evangelise and preach the Gospel of Jesus Christ to people in the world because God wants us to follow our calling and life purpose for Jesus Christ. The Evangelism Ministry is part of your calling to God. Please understand that you must honour your calling to God and do the work for Jesus Christ. Many people think that Evangelism and preaching the Gospel are not important in God's work or Christianity. Still, the truth is that you must do it to honour Jesus Christ and build your relationship with God.

If you don't evangelise and preach the Gospel of Jesus Christ as a Christian, you will never honour your relationship with God or even pursue your calling in life. Like I said, in my walk with God, I was not this perfect person who didn't make mistakes, but you have to overcome your problems and suffering to do the work for God and build the Church.

The Evangelism Ministry, preaching, sharing, pastoring, teaching, and healing are all part of your calling to God because God wants you to

do all things for him. So please, don't think the evangelism ministry is about yourself or who you are because that is not important in Evangelism and preaching the Gospel of Jesus Christ.

Luke 9:23 - "And he said to all if anyone would come after me, let him deny himself and take up his cross daily and follow me."

The hardest thing to understand as you read this scripture is if you want to walk with God and Jesus Christ, YOU MUST DENY YOURSELF, TAKE UP YOUR CROSS and FOLLOW JESUS CHRIST.

If you don't deny yourself and take up your cross, you will not be honouring your calling to God, you would never do Evangelism, and also, you will not make a difference in people's lives.

Hard to understand, but it is the truth, you must do the evangelism ministry to build the Church, honour the work of God, honour your relationship with Jesus Christ, and work within the ministry.

Chapter 3: Helping Other People

Dear reader, this is the essential part of this book for your walk with God and honouring your calling. Helping other people is the life purpose and calling of God and the ministry. Therefore, for every pastor, evangelist, teacher, healer, apostle, and minister, their mission is to help other people, preach the Gospel of Jesus Christ, and build the Church and ministry.

Helping other people is not a job; it is a career path and vocation. Therefore, **YOU MUST DEVOTE YOUR WHOLE LIFE INTO HELPING OTHER PEOPLE & GIVING BACK.**

Helping other people must be your motivation and calling in your life to honour God and Jesus Christ. If you don't help other people or give back, you will live a miserable, depressed, unhappy, and unfulfilled life without making a difference in others.

Helping other people and ministries are together and must be honoured at all times to please God and build the Church.

John 13:34 – “A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another.”

Jesus Christ gave every Christian this commandment to honour in their life and to always help other people. Love one another - help other people.

The Message – Helping Other People & Giving Back

Helping other people is a choice you must take NOW and then walk in your calling and life purpose and do the work of God.

**It Is Not The Problems That Make You
Who You Are; It Is The Person You
Become That Make You Who You Are!**

Chapter 4: Working In Ministry And Giving Everything To God

Doing ministration and giving everything to God is not about money, houses, cars, or worldly riches. It is a choice and commitment that you must make in your life TODAY or you NEVER WILL.

People think it is hard to help many people and make a difference in people's lives without thinking about yourself or your selfish desires.

I believe SELFLESSNESS is the crucial skill and ability needed to do God's work and honouring your relationship with God. It is NOT MONEY, HOUSES, or CARS - but SELFLESSNESS.

Until you have devoted your whole life to helping other people and doing the work of God, you will never achieve the success, riches, prosperity that successful people have achieved in their life.

People who are so successful don't think about money at all and don't want any materialistic things in their lives.

People have always struggled to find out what makes them POWERFUL, RICHE,

PROSPEROUS, and SUCCESSFUL, but the real secret is not the money, the houses, or the cars but how you help other people and make a difference.

Without being selfless, you will not achieve what you want and more because true success, riches, prosperity come to the person who is the most selfless, humble, kind, caring, and helpful to other people.

Doing the work of ministry means you're going to have to lose, suffer, sacrifice, and go through some serious life challenges that can destroy you. But through the learning of the bible, preaching the Gospel of Jesus Christ, and living a life that honours your calling and life purpose, you will be able to achieve whatever you want in your life.

Selflessness - Helping Other People - Doing God's Work - Honouring Your Calling and Life Purpose

Philippians 2:4 - "Let each of you look not only to his own interests but also to the interests of others."

I hope this book has helped you understand The Evangelism Ministry and doing the work of God. Make sure you honour your faith and relationship with God and help other people and make a difference.

Thank you for reading. I want to honour the people who have helped me to write this book.
